“JNANA SANGAMA” BELGAUM – 590014

A COURSE PROJECT REPORT

On

“ BATTERY DRAIN PREDICTOR USING LINEAR REGRESSION”

Machine Learning (BCS602)

Submitted in partial fulfillment of the requirements for the award of B.E. in Computer Science and
Engineering Degree

SUBMITTED BY:

MANVANTH GOWDA M

(1GG23CS036)

UNDER THE GUIDANCE OF

Ms. SHAMAY JAHAN

Assistant Professor

Dept. of CSE GEC RAMANAGARA

2025-2026

GOVERNMENT ENGINEERING COLLEGE

BM ROAD, RAMANAGARA-562159

Affiliated to VTU, Belagavi, APPROVED by AICTE New Delhi

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

CERTIFICATE

Certified that the course project entitled " **BATTERY DRAIN PREDICTOR USING LINEAR REGRESSION**" carried out by **MANVANTH GOWDA M(1GG23CS036)** Submitted for the partial fulfillment of the requirements for the award of the degree of **Practical-based learning report in Computer Science and Engineering** of **Visveswaraya Technological University, Belagavi** during the year 2025-2026. The report has approved as it satisfies the academic requirements in respect to the practical based learning prescribed for the **Bachelor of Engineering Degree**.

Dr. VASANTH G

Head of the Department

Dept. of CSE , GECR

ACKNOWLEDGEMENT

We consider it a privilege to whole heartedly express my gratitude and respect to each and every one who guided and helped me in the successful completion of this mini project.

We would greatly mention the enthusiastic influence provided by **Ms. Shamay Jahan**, Assistant Professor, Dept. of CSE, as my project Guide, for his/her ideas and co-operation showed on us during our venture and making this mini project great success.

We are thankful to **Dr. VASANTH G**, HOD, Department of Computer Science, for his co- operation and encouragement at all moments of our approach.

We are very thankful to the principal **Dr. G PUNDARIKA** for being kind enough to providing me an opportunity to work on a technical seminar in this institution.

We would also like to thank my parents and well-wishers as well as my classmates for their guidance and their kind co-operation.

Finally, it is our pleasure and happiness to the friendly co-operation showed by all the staff members of Computer Science Department, GECR.
